

Instant Access Accounts

Novia clients can make use of a range of instant access accounts:

- > Instant Access accounts will be dealt with on an individual, non-aggregated basis.
- > If you wish to access a product from one of the providers below, please contact Client Services and ensure your instruction names the specific provider and product.
- > Advisers should be aware that an account cannot be used until Novia receive a correctly completed and signed Trust letter from the provider to comply with FCA client money rules. This may take several weeks.
- > A £100,000 minimum deposit per client will apply.
- > These interest rates are only indicative. Rates may change without notice. Advisers using these accounts should monitor the rates for their clients. Contact details are included in the Further Details column.
