Novia Foundation KWIK cricket raises £3500 for charity

Novia Foundation's inaugural KWIK cricket tournament saw nine teams of six players battle it out at the Bath Rec to raise money for the foundation. With teams made up of volunteers from local and national businesses there were cracking sporting performances on the pitch, some dramatic play and delicious street food courtesy of JC's kitchen and a welcome bar provided by Inc Bar Group. The event raised over £3500 for charity.

Players included teams from Beckford James, Stone King, Novia Global, Novia Financial (which fielded two teams) FinoComp, Altus, GBST and Bath Rugby. The nail biting final played between two Novia Financial Teams - the Nick Raine All-Stars and Bill Vasilieff's Team Scotland culminated in the All-Stars taking the victory crown.

Sarah Howarth, Novia Foundation Trustee and organiser said: "A huge thank you to all the teams for participating and for making the day such a success. We were delighted that so many were able to participate and are enormously grateful for the donations they gave. We were also grateful to Bath Recreation Limited for the use of the grounds. The money raised will go towards supporting local causes and support initiatives that aim to improve and help the lives of people in Bath and the surrounding area."

Novia Foundation was set up in 2018 and further information on the charity can be found on the Novia Foundation website.
